### Intro:

For I have seen soo many beautiful trees  
With their leaves  
Holding on tight to their roots  
Others becomes weak, and decides to fall down  
What will you do  
When your leaf becomes weak  
And decides to fall down

### 1st Verse

I donâ€™t know exactly what to do,  
And I donâ€™t know exactly what to say,  
Babe there is a place in my heart,  
Love in my eyes,  
Canâ€™t live without u.  
All I can say is love me back and  
All I can do is love u bad,  
Letâ€™s take chances and  
We never gonna fall part in our ways.  
Oh 10x yeah yeah

### Chorus

I love you soo; you should love me back  
Baby love me; cos you lack the trust  
My heart is yours; Boy you still care less  
Why do you why do you you; Wonna break it all

### 2nd Verse

Greater love happens so fast,  
Letâ€™s begin to understand  
I offer u ma soul and everything  
Iâ€™ve got within me,  
Letâ€™s ride in the love boat,  
From east to the west coast,  
What else cud I do than  
To keep your love  
Right down in ma store.

Oh Kindness,

All wrapped in one  
So I give to y-o-u; You you you 2x

You should love me back  
Baby love me  
Cos you lack the trust  
My heart is yours  
Boy you still care less

Why do why do you why do y-o-u: oh 5x
