What are you talkin' about?
I don't really wanna do this on the phone
Whatever you were gonna say
You should have said it by now
Why don't you call a cab and just go home
Cause I've heard it all before
I just don't wanna hear any more
It's 2:44

And you only say I'm sorry on the rocks
You've been drinking all night and now you wanna talk
Well you know your shaken or stirred love
Is makin' it worse cause
I'm sorry on the rocks
Just ain't good enough

I'm too tired and you're too drunk
To keep on diggin' up the past
And a thousand pretty words ain't gonna mean that
much
Comin' from the bottom of a glass
Well you're talking way too loud
There's too much noise in the background
I think we're breaking up now

Oh, you only say I'm sorry on the rocks
You've been drinking all night and now you wanna talk
Well you know your shaken or stirred love
Is makin' it worse cause
I'm sorry on the rocks
Baby just ain't good enough

Well I finally had enough
And it's clear you've had way too much
This is me hangin' up

Oh, you only say I'm sorry on the rocks
You've been drinking all night and now you wanna talk
Well you know your shaken or stirred love
Is makin' it worse cause
I'm sorry on the rocks

Baby just ain't good enough
Sorry on the rocks
It just ain't good enough
Sorry on the rocks
It just ain't good enough
Sorry on the rocks
