You complete me.
You always did.
I could search forever,
But you're always here.

(pre-Chorus)
Thinking about tomorrow.
Will it be the same as yesterday.
Thinking about the fighting.
Will it be the same again?

(Chorus)
We were so young, we were so young
But our hearts were the same
We were so young
But never change, never change, never change.
Never change.

In the moments
when no one cares.
I feel your arms around me
and I know you're there.
Ohhhoh

(pre-Chorus)
Thinking about the future
will it be the same as are today
Thinking about the love
Will it be the same always
Ohhohhohohh

(Chorus)
We were so young, we were so young
But our hearts were the same.
We were so young
But never change, never change, never change.
Never change.

(pre-Chorus)
Thinking about the future
will it be the same as are today.
Thinking about the love

Will it be the same always

(Chorus)

We were so young, ohoh, we were so young

But our hearts were the same

We were so young,

ohohhhhhhhohohhhhhhhohohhhhhoh

We were so young ohohohh

We were so young

But our hearts were the same

We were so young, oh

But never change, never change, never change.

Never change.
