Anytime Soon

I can still remember talking  
Bout that big house on the hill  
And all the things that we both wanted  
I thought this time was for real  
But I never saw him leaving  
I saw forever in his arms  
Now all that I've been living for is gone

Was I seeing twenty-twenty  
As he faded out of view  
I don't think I'll be seeing love, anytime  
anytime soon  
I'm picking up the pieces  
While the stars go 'round the moon  
I don't think I'll be seeing love, anytime soon

I used to be his angel  
Till another caught his eye  
He said I know it's for the better  
And then he said goodbye  
Now comfort comes in moments  
I know somehow I'll get by  
But it'll take some time for these broken wings to  
fly

Was I seeing twenty-twenty  
As he faded out of view  
I don't think I'll be seeing love, anytime  
anytime soon  
I'm picking up the pieces  
While the stars go 'round the moon  
I don't think I'll be seeing love, anytime soon

Well he promised me the heavens  
But ran my heart around the moon  
I don't think I'll be seeing love, anytime  
anytime soon  
It's cold as ten Decembers  
But I'm holding out for June  
I don't think I'll be seeing love, anytime soon

No I don't think I'll be seeing love anytime  
soon
