No Trespassing

Well, I went looking for you at some honky-tonk bar
Caught you with your hand in someone else's
cookie jar
We began to fight and you headed for the door
Well, if you walk out now, you ain't walking in no
more

No trespassing on this heart of mine
I've been walked on, one too many times
I'm gonna put me up a fence and post me a sign
No trespassing on this heart of mine

You said you loved me tender with a never ending
song
Then the band played "Cheating Heart",
I turned and you were gone
You went back and disappeared just like you did before
Well, if home is where the heart is you ain't living
here no more

No trespassing on this heart of mine
I've been walked on, one too many times
I'm gonna put me up a fence and post me a sign
"No trespassing on this heart of mine"

I should have known the road you walked would always
be the same
A tiger doesn't change his stripes, a lion can't
be tamed
Don't try to fool me with your talk of loving me
today
My life with you is over, here is all I've got to say

No trespassing on this heart of mine
I've been walked on, one too many times
I'm gonna put me up a fence and post me a sign
"No trespassing on this heart of mine"
I'm gonna find myself a lawyer
You're gonna pay a fine
For trespassing on this heart of mine
