(Oh baby, I do)

When I saw you walkin'™ by the sea
I knew then that you were meant for me
I love you, baby
Oh baby, I do
(Oh baby, I do)

When I saw you standing by the shore
I knew you were what I™ d waited for
I love you, baby
Oh baby, I do
(Oh baby, I do)

And when I hold you, baby, whoa-whoa-whoa
You make me feel so fine
And when you kiss me, baby, whoa-whoa-whoa
I know you™ re mine, all mine
You send me all of the time

Stay with me forever, my sweetheart
We will never, never, never part
I love you, baby
Oh baby, I do
I love you, baby
Oh baby, I do
(Oh baby, I do)
