This town is just a fake

A place where you can't tell the devil from your brother

Poisoned every breath you take

It's just like one nightmare after the other

You know it's not too late to leave tomorrow

'Cos I know where I'm going

I am building a bridge to paradise

I am building a bridge to paradise

This town you can't control

(A place) that fascinates hits you with the drama

Don't worry now for my soul

('Cos I'm) heading for a higher panorama

You know it's not too late for you to follow

'Cos I know where I'm going

I am building a bridge to paradise

I am building a bridge to paradise

You know it's not too late to follow

You know it's not too late to follow

Repeat
