Crisis, crisis - you can't get away

Crisis, crisis - you can't get away

Crisis, crisis - I need you on my side cause there's a crisis.

And you can't get away

Crisis, crisis - you can't get away

Crisis, crisis - you can't get away

Crisis, crisis - I need you on my side cause there's a crisis.

And you can't get away

Crisis, crisis - you can't get away

Crisis, crisis - you can't get away

Crisis, crisis - I need you on my side cause there's a crisis.

And you can't get away

Make an appointment to the next dawn

Take a ? [Brain?] And saw

The watcher and the tower

Waiting hour by hour.

There's a bridge in the security

A disturbance in tranquility

The watcher and the tower

Waiting hour by hour.

The watcher and the tower

Waiting hour by hour.

The watcher and the tower

Waiting hour by hour.

The watcher and the tower

Waiting hour by hour
