"Crystal Gazing"

Watching for a spark

It's a moonlight show

Reaching through the dark

Do you have to go

Try to put a message through

To your sweetheart

Won't you like to know the secrets

Of the heart

Chorus

Crystal gazing

Crystal gazing

What you gonna find in

Crystal gazing

Voices in the dark

And the lights burn low

Teach yourself the art

That you never know

Try to put your message through

To your sweetheart

Won't you like to know the secrets

Of the heart

Chorus

Pictures from the night

Would you be my guide

What you talk about

On the other side

Try to put your message through

To your sweetheart

Won't you like to know the secrets

Of the heart

Chorus
