We took a place in the sun
to see just what had become
the warm wind blows constantly
does the answer still blow, did you find your chateau
in that mediterranean fantasy

Chorus

Flying Start made the whole world sing

They had no choice

Flying Start like a shining pearl, they

Sang in one voice

To where the sun always shines

familiar faces and wines

the warm wind blows constantly

knock on the door but the memory's poor

is there somebody in, now answer me

two dark eyes from the doorway shine

so you lost your dream in a bottle of wine

I knew you had to do it your way, fine

but there's none to carry the cross this time

Chorus

On dusty roads and tracks

Now it's the time to turn back

The warm wind blows constantly

riding that storm since the day you were born

is there somebody in, now answer me

two dark eyes from the doorway shine

so you lost your dream in a bottle of wine

I knew you had to do it your way, fine

but there's none to carry the cross this time

Chorus
