I can't take this any more
I'm almost pretty sure
I've been here before
I can't take this any longer
Won't heal until I'm stronger
Strong enough to not be afraid
Of what anybody thinks
Of what anybody says
About the way, about the way I am
So I leave it up to you
Leave it in your hands
Respect your wishes and demands
but if it was up to me
honey we'd already be back at home
and living out our dreams
living out

every body every thing I've known
never taught me how to stand up on my own
had to learn it from the one who let me go
now I walk alone, yeah I walk alone
Living out our
Living out our dreams

Guess you had to step away
to make me want to be
a bigger man, a bigger man than that
i need you by my side
as i take it all in stride
I put away, i put away my pride
oh i leave it up to you
yeah i leave it in your hands
respect your wishes and your demands
but if it was up to me
honey we'd already be back at home
and living out.

everybody and everything I've known
never taught me how to stand up on my own
had to learn it from the one who let me go
now i walk alone

yeah I walk alone, yeah
i walk alone
i walk alone
i walk alone
i walk alone
i walk, oh yeah
