"Incantations"

This is the song from part 4 of "Incantations". I read it
some

years ago in an Oldfield songbook and kept in mind.

No idea who wrote it or if it has a name. Sorry, I don't
even

know the name of the book I read it in.

INCANTATIONS PART 4

Queen and huntress chaste and fair

Now the sun is laid to sleep

Seated in a silver chair

State in wanted manner keep

Earth let not an envious shade

Dare itself to interpose

Cynthia's shining orb was made

Heaven to cheer when day did close

Lay the bow of pearl apart

And the crystal-shining quiver

Give unto the flying heart

Space to breath how short so ever

Hesperus entreaty thy light

Goddess excellently bright

Bless us then with wished sight

Thou who makes a day of night
