Lead & backing vocals: Anita Hegerland

Guitars and keyboards: Mike Oldfield

I know you'll never stay the same

In time most of us lose it

But I'm hoping just the same

You'll shine and learn how to use it

Speak to me like the very first speak

You are magnificent when you're innocent

Laugh to me like the very first laugh

You are from heaven sent when you're innocent

My hands hold you and you adore

Blue eyes turn my direction

Suprise in everything and your

Body moves in perfection

Smile to me like the very first smile

You are magnificen when you're innocent

Walk to me like the very first walk

You are from heaven sent when you're innocent

Sunrise here comes another day

Cow jumps over the moon now

Sometime you will look back and say

Today I'll sing my own tune

Sing to me like the very first sing

You are magnificent when you're innocent

Laugh to me like the very first laugh

You are omnipotent when you're innocent

Speak to me like the very first speak

You are magnificent when you're innocent

Smile to me like the very first smile

You are from heaven sent when you're innocent

Sing to me like the very first sing

You are magnificent when you're innocent
