Into Wonderland" (copied from the Jap LP sleeve)

May I say one fine day

If you say you would we could run away

Just say goodbye with no cloud in the sky

This time sunshine we're gonna fly

You can hear the whistle blow

There's noone gonna know

Take my hand and

We can softly go

When the stars come out to shine

You are gonna be mine

Sure as a love that's just

We are gonna be fine

[bridge]

Just take my hand

And try to Understand

We'll fly honey pie

Into wonderland

And if you want me to

I'll come back with you

Sure as a love that's just

I love you
