Islands from the first time we saw  
we could wait for this moment, like rocks on the shore  
we can never be closer somehow  
for the moments that lasts, is this moment now  
Chorus  
When the nights's on fire will you keep the Candlelight  
Burning  
Hold on to your hearts desire  
When you see one bird into the wind another one's  
turning  
And the two can fly much higher  
We are Islands but never too far, we are Islands  
And I need your light tonight, and I need your light  
tonight,  
We are Islands but never too far, we are Islands  
And I need your light tonight, and I need your light  
tonight  
Islands never been to before and we climb so high  
to where the wild birds soar, there's a new path that  
we found just today I was lost in the forest and you  
showed me the way  
Chorus
