I know you're out there Mr Shame

I am calling your name Mr Shame

There is no doubt

You need to find out about the river

But there's no covert scheme

To help you find your dream

To the River

Down to the river

Was this all some cry for love?

It's a cry for love

Are you a victim of that Money Bug?

In your blood

Mister Shame

Get down to the river

I know you ache

So come down to the river

The River of love Don't hesitate

There's no mean devise or key to paradise

To the river

No price you can pay to help you find your way

To the river

Down to the river

Is this all some cry for love?

It's a cry for love

Don't tell me you're a victim of that Money Bug?

In your blood

Mister Shame

Get down to the river

I know you ache

So get down to the river

The River of love

Don't hesitate
