"My Bad"

It's the ignorance of youth
It's the fear of growing old
It's the universal truth you're never told
Know that it's my fault, Know that it's my bad
Couldn't except love I've never had
It's to learn from your mistakes
It's to be the bigger man
It's to always try to do the best ya...

Cool rises up from underneath it when you're down
It Rises, all your enemies, never ever know, unless you
let it show
Oh yea.....yea.....oh.....yea....ah ya ya ya!
Cause it's my bad, it's my bad, it's my...bad

Cool rises up from underneath it when your down
It rises, all your enemies, never ever know, unless you
let it show
Or until I lose it all, until I lose it all, until I lose it all,
Until I lose it yea!!!!!! Til I lose it, until I lose it
I love you all, It's your choice!

Cool rises up from underneath it when your down
It rises, all your enemies, never ever know unless you
let it show
Or until I lose it all, until I lose it all, until I lose it all, Til I
lose it
Yea!!!! Til i lose it, Til I lose it, I love you all!!!!!! (kiss
sound)
