An empty chair  
Is someone sitting there  
Footsteps on the ground  
Can you hear that sound  
Like a wild goose crying on a lonely wind  
Whispering leaves in the branches that bend  
This ain't no dream babe  
Alone in the night  
Turn on the light this ain't no dream  
This is no dream  
You didn't read this is no book  
Go take a look this ain't  
No Dream  
A restless flame  
Someone calls your name  
Through the empty hall casting shadows on the wall  
In the sound of emptiness  
Isolation  
Nowhere left to run now the time has come  
This ain't no dream babe  
Alone in the night

Turn on the light this ain't no dream

This is no dream

You didn't read this is no book

Go take a look this ain't

No Dream

An open door

Glass all on the floor

Hands have turned to white

In the cold breeze of the night

There's a face at the window

Someone who you know

Or who you used to be

Could that somebody be me

Dream babe alone in the night

Turn on the light this ain't no dream

This is no dream

This is no book

Go take a look this ain't no dream
