You will have nothing but love

Nothing but hope, blue sky above

You will find nothing but peace

Nothing but the sun shining on your face

When you open your eyes

When you open your eyes

You will feel nothing but free

Nothing but trust that's how it should be

And one who cares about nothing but you

Watching close by the whole night through

When you open your eyes

When you open your eyes

You will feel nothing but warm

Nothing but shelter from the storm

You will have nothing but rest

Deep in your heart nothing but the best

Nothing but love when you open your eyes

Nothing but love when you open your eyes
