I'm half a crazy man
Waiting for confirmation
Signs keep changing and
I need some more information
Some tricks of the light
You never know
Make a flickering midnight light
Into a glow
It's a trick of the light
It's a trick of the light
Something tells me how
Her bright blue eyes are smiling
She turns her head now
Will she won't she deny him
Some tricks of the light
You never know
Make a flickering midnight light
Into a glow
And spark that you saw so bright
Was just for show
Could it ever have turned out right

You'll never know

It's a trick of the light

It's a trick of the light

She turns she takes his hand

Breaking his concentration

She burns at his command

Makes some transfiguration

Some tricks of the light etc.

You never know
