I was hoping, could you be my inspiration.  
Whatever should become in the candlelight.  
I was dreaming, was it my imagination.  
Tomorrow never comes in the candlelight.

(Chorus)

When the night's on fire.  
Do you need love's arms to hold you?  
It's a flame there burns no finer.  
When you see one bird,  
There's another one watching over  
And the two can fly much higher.

I was listening, to the wind that walks the hours.  
I never would have heard,  
In the candlelight.  
I was hoping, would you shelter me from showers,  
I believe every word in the candlelight.

(Chorus)

When the night's on fire.  
Do you need love's arms to hold you?  
It's a flame there burns no finer.  
When you see one bird,  
There's another one watching over  
And the two can fly much higher.

When the night's on fire and you burn,  
Like a flame that's burning in the rain,  
Do you need somewhere to turn?  
When you see one bird,  
It's the two that fly higher  
And a second in heaven's worth whole life's  
Trouble and trial. Trouble and trial.

(Chorus)

When the night's on fire and you burn,  
Like a flame that's burning in the rain,  
Do you need somewhere to turn?  
When you see one bird,  
It's the two that fly higher  
And a second in heaven's worth whole life's

Trouble and trial.  
Trouble and trial.

(Chorus)

When's the night's on fire  
Do you need love's arms to hold you? (When the night's  
on fire)  
When you see one bird fly,  
There's another one watching over. (When the night's  
on fire)  
When the night's on fire.  
It's a flame, there burns no finer. (When the night's on  
fire)  
When you see one bird fly,  
It's the two that fly much higher. (When the night's on  
fire)
