Don't you know that I want to be more than just your  
friend  
Holdin' hands is fine, but I've got better things on my  
mind  
You know we could happen, if you'd only see me in a  
different light  
Baby when we finally get together, you will see that I  
was right

Say you love me, you know that it could be nice  
If you don't say you love me, don't treat me like I was  
yours  
Please love me, I'll be yours if you'll be mine  
If you'd only say you love me baby, things would really  
work out fine

Don't you know that I want to be more than just your  
friend  
Holding hands is fine, but I've got better things on my  
mind  
You know we could happen, if you'd only see me in a  
different light  
Baby when we finally get together, you will see that I  
was right

Say you love me, you know that it could be nice  
If you don't say you love me, don't treat me like I was  
yours  
Please love me, I'll be yours if you'll be mine  
If you'd only say you love me baby, things would really  
work out fine

Don't you know I love you baby?  
Don't you know I need you baby?  
Don't you know know how much I really care for you,  
would you be mine?  
Don't you know I love you baby?

Don't you know I need you baby?  
Don't you know know how much I really care for you,  
would you be mine?

Say you love me, you know that it could be nice  
If you don't say you love me, don't treat me like I was  
yours  
Please love me, I'll be yours if you'll be mine  
If you'd only say you love me darlin', things would  
really work out fine

Ooh baby won't you say you love me  
Baby won't you say that you love me  
Say that you love me  
Say that you love me, love me, love me, love me, love  
me, yeah

Don't you know I love you baby?  
Don't you know I need you baby?  
Don't you know know how much I really care for you,  
would you be mine?  
Don't you know I love you baby?  
Don't you know I need you baby?  
Don't you know know how much I really care for you,  
would you be mine?  
Don't you know I love you baby?  
Don't you know I need you baby?  
Don't you know know how much I really care for you,  
would you be mine?  
Don't you know I love you baby?  
Don't you know I need you baby?  
Don't you know know how much I really care for you
