Bitch you something so serious  
It's recording?  
(They say diamonds are forever)  
(They say diamonds are forever)

[Verse 1:]

Public thought me a pessimists think my thoughts too  
pessimistic  
Reminiscing  
Roastin' Garcia Vegas,  
Just don't do swishers or rillas  
Murder rap, we beat it  
2am in two seaters  
Yellow things bright embrace  
I arch it back and lay  
Face down, I'm a gangsta my heart colder than  
Chicago  
This black Impala just sent bullets through my car door  
These niggas I've  
Been runnin' wit'  
Pressure hit they crumblin',  
Never had no love in this shit,  
Pray to god, somebody please pray for me  
Deep conversation was always elated  
And then celebrated the things of the past,  
Happy belated, while handing her Franklins,  
Just thought I was stated, but stated too fast  
Went to the pen, and was living upstate  
But feel I got away cause I skated with cash  
Made crooked lawyers and dirty attorneys,  
Who take all your money and say that they working  
Fucking with you stuck in this loop you jumping  
Through hoops and we running through hurdles  
Ain't met ya momma but I told her I promise that when  
She around me nothing will hurt her  
She do the talking I can't be too perfect  
Lean drinking, no Bud Light,  
Itching for them chickens  
Them idiots must not love life  
Free to speak on anything at all,  
Before we met, not much belief in

Anything at all  
And then we found love under neon lights,  
Fluorescent body paint under  
While under neon lights.  
Lemme get you to sound off loud in here  
But say my name, loud and clear,  
Watch we wake up all the neighbors when we makin'  
love  
I'm talking naked, making faces, really cuttin' up  
In the bathroom, or the shower let this water fall  
Like Soulja Slim I got enough dick for all of y'all  
Now the luxury whips come equipped with neon lights  
Body paint fluorescent under neon lights
