I was in a rush, I didn't know who to trust
BABYSITTER ga hitsuyou datta yo!
I searched on the internet just to find your name
Denwa shitete, dareka tasukete

"Hayaku kite ne" to itta
I NEED YOU!
Yasashisou na hito da to omotta

Ie wo deta to sugu PARTY wo shimashita
Rinjin wa so mad
Kaeta toki wa daremo hadaka datta
You're a naughty babysitter

Where is my baby now? It's me who calls the shots!
Ooku no okane wo haratta...
Give me my baby now, kibou wo ushinau!
Kono SERVICE wa bad
Bring it back!

The party was OK 'cause everybody stayed
Demo keisatsu wa sono you ni omou 'n ja nai
I payed the fine that was all mine, but I couldn't find my
baby
Kumogakure shita no kana? Doko ni iru no ka?

The lights ain't even working, and it's because of you
I let you watch TV, I let you eat my food
But you've been a naughty babysitter, and that's true!

Where is my baby now? It's me who calls the shots!
Ooku no okane wo haratta...
Give me my baby now, kibou wo ushinau!
Kono SERVICE wa bad
