I thought Iâ€™d given up on anything that resembles
love.

So I guess I was surprised that you just walked right
into my heart.

Right into my heart!!

I donâ€™t believe in any fairytales so I donâ€™t know
whatâ€™s going on
Whatâ€™s going on?

Letâ€™s take a chance we might find out,
Youâ€™re the BestDamnThing for me,
Iâ€™m falling, Iâ€™m falling hard,
We might find out,
Youâ€™re the BestDamnThing for me.

The first time that we talked,
I would have never known
But look at where we are now.
I might call it faith or destiny
But all I really need now is you.
Is You!!

I donâ€™t believe in any fairytales so I donâ€™t know
whatâ€™s going on
Whatâ€™s going on?

Letâ€™s take a chance we might find out,
Youâ€™re the BestDamnThing for me,
Iâ€™m falling, Iâ€™m falling hard,
We might find out,
Youâ€™re the BestDamnThing for me.

I donâ€™t really need you to hold my hand
Or to hold me at night
But didnâ€™t I, didnâ€™t I tell you.
Iâ€™ll be just fine, knowing your still around.

I donâ€™t believe in any fairytales so I donâ€™t know
whatâ€™s going on
Whatâ€™s going on?

Let's take a chance we might find out,
You're the BestDamnThing for me,
I'm falling, I'm falling hard,
We might find out,
You're the BestDamnThing for me.
