Chorus:

I'm out on the run  
Cause I'm young and havin' fun  
Like I wanna  
Ready to rage  
And I'm never gonna change  
All I'm sayin' is

I'm ready I'm ready to go

Verse 1:

You tryin' to party hard  
Or hardly partyin'  
I'm sneakin' through the back  
You payin' to get in  
All black with leather jack  
You tryin' to fit in  
Yeah I'm lookin' the s\*\*\*  
You out here party poopin'

I don't I don't  
I don't got it like that  
But I still I still  
I still mob it like that  
I'm just runnin' a muck  
And done on givin' a f\*\*\*  
So just leave your name and number  
And I'll call you right back

Chorus

Verse 2:

Live life an kickin' ass  
More than karate kid  
Live life an livin' fast  
Goin' for the longest skid  
Music up hit the gas  
Harder than BP did  
Hearts in an auction  
I'm just goin' for the highest bid

What if what if

What if the check donâ€™t show  
What it what if  
The music doesnâ€™t blow  
Or what if I live  
Like that s\*\*\* already did  
So even if it never happens  
Then Iâ€™ll still never know

Bridge:  
Whatever you do  
Nobody survives  
The slower you move  
The faster you die  
The hands on the clock  
Just waving goodbye  
And so am I
