VERSE 1

You're a reminder, of where I've been
You we're deciding all of the ways
of how to throw me in..
To you're footsteps, to a life
Bound by you're selfish childish rules
Yours truly I'll leave you with..
Nothing but you're own damn self.

CHORUS

Memories, memories are haunting you
I could see the lies, I could tell the signs
Why did you even try to drag me down
Drag me down
Not gonna be the last guy
Who waves you goodbye..
Not gonna be the last guy

VERSE 2

Destiny or to be set free
Just believe in yourself
You ain't gotta be knocked down for no one
I got my own dreams ahead, dream big..
For the future.. and beyond ahead

CHORUS

Memories, memories are haunting you
I could see the lies, I could tell the signs
Why did you even try to drag me down
Drag me down
Not gonna be the last guy
Who waves you goodbye..
Not gonna be the last guy

BRIDGE

I remember when, way back then
When we were young

When the skies above were oh so very clear
