Chorus:

Everybody wants to let go  
But somebody's gotta hold on  
The whole world's going crazy  
Somebody's gotta stay strong  
It don't look good for right now  
But right now ain't forever  
Everybody wants to let go  
Sombbody's gotta hold on

Verse 1:

Somebody said you don't know what I've been through  
You're young and life is simple  
I lived for years with a man that don't love me  
And my kids are actin' crazy  
And you don't know that my heart's been broken  
Even though I'm actin' fine  
You don't know that good times  
Ain't been around my way in a while

Chorus

Verse 2:

Somebody lost their mother, somebody lost their father  
Somebody has no home and their world is falling on  
them  
But I gotta tell you something  
You gotta go through something  
If you wanna be something  
You can't get it for nothing

Vamp:

Hold on, hold on

Chorus
