Verse 1:

With outstretched hands  
And with a sincere heart  
I come to You with thanks  
And worship for who You are

B-Section:

It's of Your mercies we are not consumed  
(It's Your unmerited favor)  
And Your compassions fail us not  
(For they are new every morning) Great is Thy  
faithfulness

Chorus:

Lord please hear these lips of worship  
As we offer praise  
Holy Holy Holy oh God of glory

Verse 2:

With words never spoken  
And melodies of songs never heard  
With showers of anointing  
And blessing we don't deserve

Vamp:

It belongs to You  
I owe to You my everything  
My gratitude  
And thanks to You for saving me
