A-I, A-I

When you look at me, tell me what you see.
Can you tell what I'm all about?
If I never, ever said a word,
Would my life just scream aloud?
Let me...
C-H-R-I-S-T-I-A-N.
That's how I represent.

A-I, A-I
If you like the music x4
Wave your banner x4

Unforgettable.
All together wonderful
There ain't no other way to describe.
My walk, my talk, and the way that I feel inside.
It's waayy to incredible, I can never hide.
Let me...
C-H-R-I-S-T-I-A-N
That's how I represent
So if you like it...

If you like the music x4
Wave your banner x4

Now it was told to me when the enemy comes in like a
flood.
(Ahhh) The Lord will (Aahhh) lift up a standard (ahhh),
it's a
banner.

If you like the music x4
Wave your banner x4
A-I , A-I
