[Intro:]

Oh OOO Whoo Whoo Yea Yea

[Intro:]

Now why (why) ain't it enough that you died? (died)

Hung on a cross just to save our souls, and that's just
so amazin' so,

I gotta serve you like (its the last time),

and I gotta get right (cus you didn't lie)

Life got no meanin' why?

I really can't figure it out, why somebody like me is who
you worry bout'

thats why..

[Chorus:]

You're in the deepest side of me

Is it worth it all just me? (yes)

[KiKi:]

Ok if you say so, I just wanna show you that I'm grateful

[Chorus:]

I was thinkin' how did you ever come to love somebody
like you love me love me ?

Keep Somebody like you kept me

Ohhhh, I was thinkin' how did you ever come to love
somebody like you love me love me

keep Somebody like you kept me (kept me

Ohhhh

[KiKi:]

When I am wrong, and I think you've moved on,

you reach out your hand and say "I am here,

I never left you I brought you here, so what makes it
hard to see?"

you gave your whole life for me (yes thats true)

regardless of everything

I am with you in doubt, and I know you doing for me

[Chorus:]

You're in the deepest side of me

Is it worth it all just me? (yes)

[KiKi:]

Ok if you say so, I just wanna show you that I'm grateful

[Chorus:]

I was thinkin' how did you ever come to love somebody
like you love me love me ?

Keep Somebody like you kept me

Ohhhh, I was thinkin' how did you ever come to love
somebody like you love me love me

keep Somebody like you kept me (kept me

Ohhhh
