I keep holding on

I'll keep holding on

Time is filled with swift transition

Naught of earth unmoved can stand

Build your hopes on things eternal

Hold to God's unchanging hand

Just keep holding on

Just keep holding on

Trust in Him who will not leave you

Whatsoever years may bring

If by earthly friends forsaken

Still more closely to Him I cling

Hold to His hand

God's unchanging hand

Hold, hold, hold on

Hold to His hand

God's unchanging hand

Hold, hold, hold on

Hold to His hand

God's unchanging hand

Hold, hold, hold on

Hold to His hand

God's unchanging hand

Hold, hold, hold on

Hold, hold, hold, hold

Get a real good grip

Get a real good grip

Get a real good grip

Get a real good grip

No no no no, no no no no

No no no no, no no no no

Hold, get a real good grip

No no no no

Hold to His hand

God's unchanging hand

Hold hold, hold on
