"C'mon baby, c'mon c'mon baby" *[repeats in background all throughout the song]*

"You bitches can't do nothin" *[repeats in background through intro]*

[Intro: ODB]

It's Ol' Dirty Bastard and shit, know I'm sayin?
I wanna give a big shout out to my nigga Luke
Know I'm sayin? You know, you know, know
I wanna lock all the bitches down
I wanna lock all the bitches down from the North,
To East, to West, to South
Know I'm sayin?
I wanna.. help me put these bitches in my trance
I want y'all to suck my lizard
You bitches wanna fuck me when you smell my under-arm

[ODB]

I make yo' dick disappear
I ain't hearin anymore weird sounds in the ear
PSSSSSSS... you can't purr no more
You wanna kneal and suck dick? I'ma keep your throat sore
Bitches got herpes in ya ass
Every time you fuck a nigga, he dies fast
And you won't last
The pussy break down from a rash
It's hard for you to walk, cuz you stuck up in your ass
Don't ask me for no cash
You better not be tellin me to give them no cash
Ash, bash, crash, sad ass

[Chorus: ODB]

Give me a little of that Cracker Jack
You ain't caramel coated Cracker Jack

The surprise, bitch you gonna get waxed
This that shit, you can't do nothin about

[ODB]

Girls ain't pretty to me anymore
Cuz you ain't bein a real whore
Ooh, you ain't a real whore
[yells some crazy shit]
You can't say, wear nails anymore
You ain't givin up, a manicure
Suckin my dick is gonna be your chore
If you don't, you're punishment
You can't get off until ya suck my dick
Physically I operate your brain to function
Give me anything, that I wantin
ALL GIRLS WANNA FUCK ME EVERYDAY
And give me that, the money
Don't even know what happens naturally
Especially when I'm playin with the chemistry
THE MONEY COMIN TO ME FIRST
You gonna keep dyin til you die from thirst
I WANT A DIFFERENT GIRL EVERYDAY
If you wanna die, you gotta drink my sperm
The other way to die, is eat a can of worms

[Chorus 3X]

[Outro: ODB]

Give me a little...
Yo, I love you girls cuz you wanna stick your tongue up
in my ass
Or you can't taste, smell, touch or hear, or see
I got you in a smash, give me it!

[instrumental for next 58 seconds]
