I remember when we used to go down to the creek
Member when we used to go down to the creek?
And used to dip your head in the water?
Everybody thought you had it in you, you know
You used to jump out the water
The water used to glisten alllllll over your bohnhhhhdyy
What? I said the water used to glisten alllllll over your
bohnhhhhdyy

[Intro: Ol Dirty Bastard]

Clean out my vocals

C'mon baby baby, baby, baby
Baby, baby, baby, c'mon!

[Verse One:]

Superlogical this, superlogical that
I detect a nigga dialect by the way he rap
I elect myself President MC
My career so intelligent, unique physique
Then with mathematics, not democratic
Static, topic, Asiatic
Zsshuh, them unique, never leak, brlaharl...
Bring it on back

Superlogical this, superlogical that

I detect your dialect by the way you rapp!
I elect myself President MC
My career so intelligent, unique physique
Doin mathematics and I'm not democratci
No static, topic, I'm Asiatic
See, I'm Unique, never... blarhalal...

[Verse Two: Method Man, Ol Dirty Bastard]

Crazy, lurkin in the shadows, I'm shady, sheisty

Get your weight up, don't take me lightly
Blasted, dirty to the grain I be stained with the

On the industry that was frontin now they missin
What everybody else is gettin

...appeal, like me and, old time
When it comes to the microphone who killed the swine?
Be the original G
Do the rhymin on time and in the place to be

[Interlude: Old Dirty Bastard, Method Man]

You are now in my trance

[Verse Three: Method Man]

This one here's for my people, my people
Enter the 36 chambers, the sequel
Part two, for me and the cipher troop
With the Teflon lyrics that you can't get through
With the twenty-two automatic rap you pack, what?
You ain't hittin with that wack shit you kickin
Straight from the beginning, of the game
All the way to the ninth inning, I bring the pain
Dark like the midnight train on the track by the RZA
Diesel like Arnold Schwarzanegger

[Outro: OI Dirty Bastard]

The hardware, choose the hardware
Ask you a question, test the Ason
Extra extra, read the drama and thennn another one
Which you intrigue, do your rap fatigue in the...
Ohhhh....
Here I go, aauhhh
