Two steps from the border line
Anything closer will kiss the nine
Think I'm out the game? You out of your mind
'Cuz I stay on track like transit line

Keep it nappy or braided up
Dirty in the cockpit, blazin' up
Stop frontin' when you made it up
Tellin' all my hoes, you can't spray it up

Hah, huggin' nuts like tighty whites
Still trickin' on hoes like Heidi Fleiss
You know why niggas don't give you much respect
'Cuz they seen you gettin' slapped with the empty gat

Know Dirt, like bow know death
When I'm huntin' down, birds of rap
Hate Dog 'cuz I ate your cat
And you can eat my ass and have a coke with that

Use a spoon, unless you want a fork
Pull my dick out, watch the room get dark
Stay high with the zombie walk
Gotta sit my ass down, like Rosa Parks

Dirty, Dirty, you tell me how you do it
It look so easy, like there was nothin' to it
But they don't understand about the Dirty M.C.
It's the, new track by ODB
(Ohh)

They say dirt and sunshine make the flowers grow
I say, fuck a bitch raw and drive your nut on the floor
Call it what you want, you son of a hoe
I was 5 percent til' white bitches came and dropped it
down to four

3, 2, 1, I can lick the sun with my tongue
Pull it out and smack a nigga, just for thinkin' I'm done
Shut your trap, razor blade cut your wrap
Fat girls seen my comin', started tuckin' their flab

Rhymefest and Dirt Dog, gon' spark this
The day he got to heaven, track mud on the carpets
Hot like the hot potato, you niggas ain't motto

You hot as the spot, yo
Go to the show for hot dogs and nacho's
This me and Dirt Dog's style, it's not yours

Dirty, Dirty, you tell me how you do it
It look so easy, like there was nothin' to it
But they don't understand about the Dirty M.C.

What can make a hoe, look more cuter
But, Hennessey shots and smoke more Buddha

I don't know Dirt, now she look like Zab Judah
Test my manhood, go get my dick ruler

Now you hungry, wanna eat right through her
But you better first track for a noter
Like does she have a best friend or I taught her
Has she ever tried fuckin' under water

Down, down with the fishes, deep sea dishes
I ain't a genie, bitch, I don't respect your wishes
This trick ain't fuckin' me though, goddamn
Something very wrong, I don't understand

Misinterpetate, let me break it down
Two pulls make the your merry go round
Touch your toes, show me that rose

Butt naked in a Wu-Tang pose
Wide open, girl, everything goes
Real freaky, when you powder that nose

Keep it and move, I sleep in the nude

I'm keepin' it rude, pull out my dick and pee in the food
On the way to the stars, don, where's the map?
We fuckin' there and we gonna fuck back

Dirty, Dirty, you tell me how you do it
It look so easy, like there was nothin' to it
But they don't understand about the Dirty M.C.
It's the, new track by ODB

Yeah, Dirt Dog, Rhymefest, you want it, man
Rest in peace, I know you heaven right now
Trackin' mud on the carpet, so, we gon' let ya
Do what you do it's the, ohh
Don't forget the crew, it's the Wu

I thought you knew, it's the Ol' Dirt Dog
Rhymefest, yeah, yeah, from now to 3000, man
What's rap with Dirty? What's the world without Dirt?
Just a bunch of fuckin' water, ohh, we out
