(feat. 62nd Assassin)

[ODB:]

Yo, this ain't a Wu-Tang type slang, know what I'm sayin?

I wanna just represent the whole Clan

You know what I'm sayin?

The GZA, Prince Rakeem, you know what I'm sayin?,  
Ghostface Killah

Shallah Raekwon, Inspectah Deck, Baby-U, Method  
Man, 12 O'Clock

Dirty O', 62nd Assassinater, know what I'm sayin?, style  
is coming

Boom

This recorded and it's dirty and it's stinkin', funkier  
than regular

Abuse, so I was thinkin' - about, droppin' this single on  
the charts

Lettin ya know, hey! - the kid has heart, I never deny  
myself as being

Dope, but in my last jam, didn't slep on my notes

You thought that I was weak, huh?, let me speak

My rhymes come funkier than ya grandfathers feet, so  
listen mister

Don't you ever forget the rhyme is dirty, you couldn't  
even clean it

With Comet, for even more axe, some try Ajax

Only mix with the best, 48-tract-ya

I get down with the 8 sole sounds

Lyrics that be flowin' from miles around, so let the  
music

Shut ya ass up, then feel the uppercut, now I make ya  
fall to ya rutt

[62nd Assassin:]

Cabush!!!!, can I get up? - Oof!! - Crazy Stouf!!

Mad chamerz comin' at ya!, a 62nd Assassin, strap  
into ya staminer

A hardcore freakin' avenor, tearin' up the vibe for set

Wit the mystery of Chess, -Boxin' at your mutherfuckin'  
text

Then ya slip, when I flip, only on that combatic shit

Rhymes comin straight from the fuckin' pits, so toggle  
up

Don't puddle up, better yet just duck, I'm callin all  
earth-forms  
Huh!, I don't play games, I make pain, or migraines  
Stick it to ya ass like pain's, who in the hell did, ever  
drop shit
