Man man, look up at the sky  
All the stars man, the stars is beautiful tonight  
Look at 'em

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

Uh, yeah, yo, yo  
Some got hopes and dreams, we got ways and means  
The supreme dream team, always up with the schemes  
From hubcaps to sellin' raps, name your theme  
My rise to the top, floatin' on this cream

Who the hell wanna stop me, I hated those who doubt  
me  
A million refugees with unlimited warranties  
Black Cesar, dating top skeezers  
Diplomatic legalese, no time for a Visa

They just begun, I'ma shoot them one by one  
Got five sides to me, somethin' like a pentagon  
Strike with the forces of King Solomon  
Lettin' bygones be bygones, and so on, and so on

I'ma teach this cat, how to live in the ghetto  
Keepin' it retrospective from the get go  
Lay low, let my mind shine like a halo  
P-p-politic with ghetto senators on the deelow

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

One two, and you don't stop, yo  
My eyes is sore, bein' a senator  
Behind closed doors hittin' truth to the sea floor  
The rich go North ignore, the tug of war

While the kids are poor, open new and better drug  
stores

So I became hardcore, couldn't take it no more  
I'ma reveal everything, change the law  
I find myself, walkin' the streets  
Tryin' to find what's really goin' on in the streets

Now every dog got his day, needless to say  
When the chief away that's when them cats want to play  
I told you, mess around you fools like Cassius Clay  
Stretch my heater make you do a pas de bourree

Kick your balls like Pele, pick 'em doin' ballet  
Peak like Dante, broader than Broadway  
Get applause like a matador, cry yellin' ole  
Who the hell wanna save me, from B.K., to Cali

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

Yeah yo, yeah  
Just when you thought it was safe in a common place  
Showcase your finest is losin' fast in the horse race  
Two faced, gettin' defaced, out like Scarface  
Throw your roll money, let me put on my screw face

Well I'm paranoid at the things I said  
Wonderin' what's the penalty from day to day  
I'm hangin' out partyin' with girls that never die  
You see I was pickin' on the small fries, my campaign  
tellin' lies

Was just spreadin' my love, didn't know my love  
Was the one holdin' the gun and the glove  
But it's all good as long as it's understand  
It's all together now, in the hood

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh

From one corner to another, uh huh
