I am the U-N-I, the Q-U-E, the G to the O-D
I said, I go by the unforgettable name of the man
called Unique G
Well, my name is known all over the world
To the foxy ladies and the pretty girls
I go down in history as the baddest brother that ever
could be

You couldn't show me
Didn't know me
How to be a true MC

My advantage on the M-I-C is the slang
That I manifest so you could never hang
Obviously you know my name by now
I done thrown stupid parties all through your town

Dirt me girt, that's my motherfucking name
Love to flirt, that's my motherfucking name
They said, "Who wanna be an MC?"
I am the original G-O-D

Making young ladies scream
(Is)
My specialty
See my style, different from yours
Make young bitch want to drop their drawers

I gotta song for you all
Somewhere over the rainbow
Where bluebirds fly
Somewhere over the rainbow
Why, oh, why?

Hear me now

Style funky, you know dat's me
Killer bee, whohoho, one man army
Down for mine when I go on tour
Throw your hands in the air if you want more

Style is evil is like an wicked witch

With the mi-ca-phone spliggh, funky as a bitch
Which is which, makes me nasty, nasty
Next on the mic is the rappin, nuh

You want some of the Ason's gun
Shoot the nigga, blaaow, reaches no one
Then you know not to touch my hoe
I like livin' my own fuckin' show
