Ahh ahh, I never saw so many people tonight

him  
That's good -- y'all make me want to cry or somethin  
Alright ladies and gentleman, tonight is a special night  
For one thing let me introduce myself my name is Mr.  
Russell Jones  
Excuse me for that one I had to let that one low ahh-

And tonight, you're going to see that you never seen  
before  
Somethin that, that nobody in the history of rap ever

He's somethin insane, he's the greatest performer  
every-since

And you'll really need him, I mean need to really get to  
know him  
Ladies and gentleman, from all houses, to all towns  
From the moons of Pluto, back down to earth  
Ladies and gentleman, one more time, give it up for  
The Old Dirty Doggy, I mean, the Ol Dirty Bastard

For one reason *[sniff]*,  
Just cause *[sniff]* I don't need to cry  
I don't need to cry, dub you can play that shit man, play

I'm tired of this shit, remember the time I told y'all  
When I got burnt, gonorrhea  
Well this bitch, there's a new bitch goddamnit  
Ohh, bitch burnt me again with gonorrhea  
So I didn't get burnt one time I got burnt actually two  
times  
When you really look at it  
Yeah, I love the girl but I had to cut the bitch off  
Yeah the bitch died, I killed the bitch  
She suffered a long pain bitchy ass go bitch had to go  
I I knew the bitch for ten minutes of her life  
But the pussy was good! Yes the pussy was good!  
I just want you to know girl!  
That I dedicated, this song, well this song really was  
written  
By Blowfly, and I want all y'all to hear this shit  
It's just a poem that I writ for you girl  
*[paper crinkles]*  
*[singing]*  
The first time, ever you sucked my dick  
Thank you thank you!  
I felt, the earth tremble, under my balls  
Somethin shot out of me real fast  
First time  
  
Nah I'm just kidding witch'all  
How y'all feelin, listen to the album cuz it's BANGIN  
  
We have only thirty-five chambers, there is no thirty-six  
I know that, but, I want to create a new chamber  
Oh? And what would that be?
