I never saw so many people tonight  
I mean y'all all got it crowded up in here and that's  
good  
I'm glad that y'all givin' it up for him, y'all givin' it up for  
him  
That's good y'all make me want to cry or somethin'

Alright ladies and gentleman, tonight is a special night  
For one thing let me introduce myself my name is Mr.  
Russell Jones  
Excuse me for that one I had to let that one low  
And tonight, you're going to see that you never seen  
before

Somethin' that, that nobody in the history of rap ever  
set they self to do  
This fuckin' guy, that I speak to you about, is somethin'  
crazy  
He's somethin' insane, he's the greatest performer  
every since  
What's the guys name? Ol' Dirty

James Brown, he's bad and he's a cool guy  
And you'll really need him, I mean need to really get to  
know him  
Ladies and gentleman, from all houses, to all towns  
From the moons of Pluto, back down to Earth  
Ladies and gentleman, one more time, give it up for  
The Old Dirty Doggy, I mean, the Ol' Dirty Bastard, I  
love that guy

Yes, how y'all doin' out there?  
I wanted y'all to know that tonight is a special night  
'Cause I'm happy to be living, you know  
A nigga tried to shoot me down and shit

You know and I don't know man it just feel good to be  
here man  
You know what I'm sayin'?  
And I wanna let all y'all know I love you man, I love all  
y'all  
You know, but, but I really came here tonight

For one reason, just 'cause I don't need to cry  
I don't need to cry, dub you can play that shit man, play  
it man  
I'm tired of this shit, remember the time I told y'all  
When I got burnt, gonorrhoea

Well this bitch, there's a new bitch goddamn it  
Oh, bitch burnt me again with gonorrhoea  
So I didn't get burnt one time I got burnt actually two  
times  
When you really look at it

Yeah, I love the girl but I had to cut the bitch off  
Yeah, the bitch died, I killed the bitch  
She suffered a long pain bitchy ass go bitch had to go  
I, I knew the bitch for ten minutes of her life

But the pussy was good, yes the pussy was good  
I just want you to know girl  
That I dedicated, this song, well this song really was  
written  
By Blowfly, and I want all y'all to hear this shit  
It's just a poem that I writ for you girl

The first time, ever you sucked my dick  
Thank you, thank you  
I felt, the earth tremble, under my balls  
Somethin' shot out of me real fast, first time  
Nah, I'm just kidding witch'all  
How y'all feelin', listen to the album 'cuz it's bangin'

We have only thirty-five chambers, there is no thirty-six  
I know that but I want to create a new chamber  
Oh, and what would that be?
