Yo, when I say you don't want to fuck with me
I'm not talking to you girl and woman
Yo, 'cause y'all want to fuck, y'all want to fuck me

I stay away from danger, danger stay away from me
I kind of react on y'all niggas and then I flee
Whatever you say is a mirage
And on top of that, huh, nigga fuck y'all

I'm the law of the land, got girls Uncle Nuggah
I gaga gaga got girls on the command
I got the government lost on Gilligan Island niggard
please!

By December, CIA gettin' paid taxes back
From the Candy Cane, Santa came, back in the big
hurricane
You ain't shaggy anymore D8, I ain't in your ballgame
I became, ain't your doggy bag ho same

You gotta make Ol' Dirty a better man
In the world if you wanna live
Fuck y'all, god don't forgive

I don't answer phones
I'll never reveal the Wu-Tang secret
And if you don't believe
I'll kill your shit

You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty
You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty

Please nigga
You couldn't jump, jump, jump
You couldn't punk, you couldn't funk, funk, funk the shit
up
My name is Dirt Dog the 18
Millimeter, shoot you up, bust you up fuck, fuck what?

I drop an ambulance on a nigga
Mad trucks, runnin' over niggas
I love bitches, when they front on they pussycat
You ain't gettin' over like a fat rat

Hate is the method, killin' all you savages
You won't be sendin' me messages
I put your nigga on pause, I keep that shit on
Destroy you through your whores

'Cause you ain't never had clout
You niggas on a rat drought
I never get tired, I ain't in your drama quote
Suck my dick

You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty
You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty
You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty
'Cause you ain't never had clout
To the ugly girls, throw your hands in the fuckin' air!
You don't want
You don't want fuck with me
To the ugly bitches, wave 'em like you just don't care!

Yo, I'm the cunt breath asshole eater
And if you let me physically eat it, it only get
Yo, the race we'll lose I'm the booze, don't eat the food
If you really want to cum
This dope game get your pussy numb
Yo! Fuck y'all! Everybody

You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty
You don't want
You don't want fuck with me
'Cause my name is Ol' Dirty
You don't want
You don't want fuck with me
Don't ever look at my name as bad
