I'm gonna play with my cards  
Hoping I find the love I'm talking 'bout  
Gonna get out of the past  
Nothing is left there that I'm talking 'bout

Where is home?  
Is it caught in a lover's charm  
Taught in my father's lies  
Where is home?  
Fall from the highest star  
Called from another's heart  
Where is home?  
Ooh, ooh  
Home is here

I'm gonna stop at the side  
Groping at bright lights and the broken parts  
And I'm a dancing outcast  
Hoping for futures who outweigh the past

Where is home?  
Is it caught in a lover's charm  
Taught in my father's lies  
Where is home?  
Fall from the highest star  
Called from another's heart  
Where is home?  
Ooh, ooh  
Home is here  
  
Home is here  
Home is here  
Home is here
