### VERSE

I know she broke your heart,  
And it's just so hard to mend,  
I want to take the parts,  
And put you back together again,

### PRE CHORUS

When love,  
Seems to pull you down and knock you around,  
I'll be there,  
Ooh I won't let you fall,  
I'll be there when you call,  
I'll be your Supergirl,

### CHORUS

You need a saviour,  
So I'm gonna save ya.  
I can be your Supergirl,  
I know she played ya,  
So I'm gonna save ya,  
I can be your Supergirl,

### BRIDGE

I could be the one boy,  
I could, I could, I could,  
I know I could,  
I could be the one boy,  
I could, I could,  
I know I could,

### VERSE

You're feelin' so torn up,  
Like the world don't give a damn,  
I won't let you give up,  
So just take a hold of my hand.
