I think I'm gonna take me a ride  
Don't want nobody no not this time  
Find me a place I can park my truck  
Hop on the hood gonna light one up  
Mhmm mmhm

I'll check the sights on my.22  
Take a couple pot shots at the moon  
Now that you're gone there's nothing to lose  
I think it's time I forget about you  
Mhmm mmhm

I'm gonna say goodbye  
To you tonight  
So long old friend  
I'm gonna fly again

Mmm

Pour me a shot of my real good friend  
Take me a breath and I'll do it again  
Count all my smoke rings in the dark  
Ain't gonna worry bout where you are  
Mhmm mmhm

Once I finally caught me a buzz  
I won't give a damn and I'll roll one up  
Grab my guitar pick a song or two  
One of them songs where I forget about you  
Mhmm mmhm

I'm gonna say goodbye  
To you tonight  
So long old friend  
I'm gonna fly again

[Guitar solo]

Girl it hurts, I ain't gonna lie  
But I'll be damned if I'm gonna cry  
It's the end, a long overdue  
Forget about love

Forget about you

I'm gonna say goodbye  
To you tonight  
So long old friend  
I'm gonna fly again

I'm gonna say goodbye  
To you tonight  
So long old friend  
I'm gonna fly again
