Something about a truck in a farmer's field  
A no trespass sign, and time to kill  
Nobody's gonna get hurt, so what's the big deal  
Something about a truck in a farmer's field

Something about beer sitting on ice  
After a long hard day makes it taste just right  
On that dropped tailgate on a summer night  
Something about beer sitting on ice

Something about a girl in a red sundress  
With an ice cold beer pressed against her lips  
In that farmer's field, will make a boy a mess  
Something about a girl in a red sundress

Something about a kiss that's gonna lead to more  
On that dropped tailgate, back behind the corn  
The most natural thing, you've ever felt before  
Something about a kiss that's gonna lead to more

Something about a truck in a field  
And a girl in a red sundress with an ice cold beer to her  
lips  
Begging for another kiss  
Something about you and me and the birds and the  
bees  
And Lord have mercy it's a beautiful thing  
Ain't nothing about it luck, something about a truck

Something about a creek around 2 am  
After a few of those beers you wanna dive on in  
You don't need no clothes, just hang em on a limb  
Something about a creek around 2 am

Something about a truck in a field  
And a girl in a red sundress with an ice cold beer to her  
lips  
Begging for another kiss  
Something about you and me and the birds and the  
bees  
And Lord have mercy it's a beautiful thing  
Ain't nothing about it luck, something about a truck

Ain't nothing about it luck, something about a truck
