Last scene
Downtown Seattle
Nineteen
Runaway child
Floating over
A lifetime of hurting
Searching to make it all right

It's easy
All she wants is to know
A love that wont go
Pure as the midnight

Snow falling
Downtown in Jackson
She had to move on
The baby was due
And she needed
A magical moment
To wash away
Her last memories

It's easy
All she wants is to know

A love that wont go
A feeling I've always known

Last seen
High in the desert
She joined a clan
Of mystical wanna-bes
But light shined
And the Seer was seen
So she closed her eyes
And dived back in a dream

It's easy
All she wants is to know
A love that wont go
She was the last one to know

But she don't let it show
A feeling I've always known
