What if I don't ever wanna grow up?
Could I stay this young forever, and ever?
What if I like being
immature sometimes and I
don't ever wanna change?

I hope I'm not the only
girl who feels this way
The little boys and girls
look to the stars before they fly away

Oh!
This is not the end,
this is NEVERLAND
where lost boys play and tinkerbell lands.
Mermaids with their tails and technicolor scales,
dance around the Jolly Roger as it sails.
Just following the second star to my right;
I'm taking off
I'm taking flight,
with
Peter Pan, tonight

Let's travel all across the sand
in my magic Neverland
You give me faith I'll give you trust and pixie dust
We could fight pirates, we could dance with indians
If you walked the plank, I'd cry
With Peter by your side, you've got no fear to fly

Oh!
This is not the end,
this is NEVERLAND
where lost boys play and tinkerbell lands.
Mermaids with their tails and technicolor scales,
dance around the Jolly Roger as it sails.
Just following the second star to my right;
I'm taking off
I'm taking flight,
with
Peter Pan...

Then Captain Hook and
Peter Pan
will fight it out in Neverland
Wendy will cry but
her love will never die
For the boy who taught her how to fly!

Oh!
This is not the end,
this is NEVERLAND
where lost boys play and tinkerbelle lands.
Mermaids with their tails and technicolor scales,
dance around the Jolly Roger as it sails.
Just following the second star to my right;
I'm taking off
I'm taking flight,
with
Peter Pan, tonight!

Peter Pan, tonight!
