How come you do me like you do, do, do?
How come you do me like you do?
How come you try and make me feel so blue?
I've done nothing to you

It's ashes to ashes and sands to sands
When my mama gives me warning that you ain't gonna
be my man
How come you do me like you do, do, do?
I ain't done nothing to you

Oh, how come you love me like you do, do, do?
How come you love me like you do?
Oh baby, I just can't stay true
My heart don't belong to you

Stay out all night 'cause I know I can
Believe me when I say I'm not that loving kind of man
How come you love me like you do, do, do?
How come you love me like you do?

How come you love me like you do, do, do?
How come you do me like you do?
Oh baby, I just can't stay true
I got another boyfriend too

He treats me right and he cares for me
I don't need your loving, boy, just let me be
How come you do me like you do, do, do?
How come you love me like?
How come you do me like?
How come you love me like you do?
