Baby, you're making a fool
Out of me
When our moment mixes up
Just like you're running
In the side of the...

I can't seem to think straight
Oh, anymore
Tell me what's the use
Of every newest fault
Cause babe
You're making a fool out of me
Oh, babe
You're making a fool out of me

Well, now you told me honey baby
You want it to happen now
But you went and found yourself another man
Anyhow

Why, baby, why you're doing me wrong
I can't keep on with this
For very long,

Please, please
Don't make a fool out of me
Please, please
Don't make a fool out of me

Well, it's all over now, baby
Ever since you've broken your vow
Well, you don't seem to get
That I'm here, making... for now
I'm packing up my things
I'm moving along
And I'm going all back to
Where I came from

Cause, oh, babe
You made a fool out of me
Oh, babe

You made a fool out of me
Oh, babe
You made a fool out of me
