Hey don't go away - don'tcha walk away now - don't go away

I say, hey don't go away now - Got so much to say hmm  
Don't turn your back on me

Well I've climbed myself some mountains Lord, and I can swim

Can't tell ya where I'm headin' but where I've been  
Until I hitch another ride - 'got time to spend  
How about a little time

Hey don't go away - don'tcha walk away now - don't go away

I say, hey don't go away now - Got so much to say  
Don't turn your back on me

I've been everywhere and nowhere in this big ol' world  
Got a pocket full of stories like a string of shiny pearls  
Still looking for that diamond buried in this girl  
How about a little time

Don't go do don't go, do don't go, do do don't go away  
Got so much to say  
I came a long way

The road can be so rugged - it can be a friend  
Pin ya down with troubles - raise ya up just like the wind  
Until my journey's over I've got one left to begin  
How about a little time

Hey don't go away - don'tcha walk away now - don't go away

I say, hey don't go away now - Got so much to say  
Don't turn your back on me  
Don't turn your back on me
